(US '517). Claims 2 and 4-8 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claim 3 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second
5 paragraph set forth in this Office action.

Applicant's Response:

10 The Applicant acknowledges and appreciates the allowance of claims 2 and 4-8 if rewritten appropriately and has chosen to amend the claims accordingly without disclaimer of any kind regarding the respective merits of any and all claims as originally filed.

15 Independent claim 1 has been amended to include all limitations of allowed claim 2. Additionally, new independent claim 16 has been introduced, which includes all of the limitations of the original claim 1 plus the limitations of allowed claim 5. Claim 6 has been reintroduced as new claim 17 and depends upon claim 16. New independent claim 18 has been introduced and includes all of the limitations of the original claim 1 plus the limitations of allowed claim 7. Claim 8 has been
20 reintroduced as new claim 19 and depends upon claim 18. Claims 2, 5-6, and 7-8 have been cancelled. No new matter has been introduced.

25 As such, reconsideration of claims 1, 3-4, and 9-15 under this rejection and acceptance and consideration of new claims 16-19 is respectfully requested. The Applicant believes that the current application is now in condition for allowance and requests that a timely Notice of Allowance be issued in this case, should the Examiner concur,
